

Dear Customer,

On behalf of everyone at Eaton, we thank you for partnering with us, and trusting us to maintain your business continuity and preventing downtime at your facility.

Our suite of backup power, power distribution and power management products are designed to protect you from a host of threats including power outages, surges, lightning strikes, and enable you to monitor and control your power infrastructure.

We trust that your Eaton Uninterruptible Power Supply system and Accessory Products, will deliver high quality, reliable backup power for your business, and we are committed to your success.

Please read this Installation and Operation Manual, which details the installation, and operation processes for your uninterruptible power supply system.

Thank you for choosing Eaton!
