7	0.0	20	0.0	0.0	OK	OK	OK

PREVIOUS NEXT

Step through the device's screen chain (using **NEXT**) to find the screen with the **ALARM** column.

Scroll through the device's circuits to find the component in alarm. (Alarm shows as **ACTIVE** under **ZERO**, **WARNING**, or **ALARM**.)

Review information for that circuit on all of the device's screens.
