

NOTES:

1. STANDS ARE MADE OF 1/4" FORMED ANGLE.
2. SUPPLIED WITH (8) HEXNUTS & (4) WASHERS.
3. TO ACQUIRE MINIMUM HEIGHT, LEGS MUST BE REMOVED.
4. WEIGHTS ARE APPROXIMATE.

Floor stands can be ordered with optional covers over cable entry and air flow openings. PDI recommends that the optional covers be removed at installation to provide additional air flow to the unit.

STS floor stands vary by the amperage of the unit and the height of the raised floor.
